

# TABLE TENNIS

Table tennis is a fast paced and fun activity that can be played as either singles or doubles. The Bourne Club currently has three tables in the Old Hall, each of which must be booked in advance and set up before play commences. Equipment is available to borrow from the office or bar, although all that is needed is a bat and ball!

The Club currently fields two teams in the local Aldershot & District Table Tennis League, with matches taking place on Tuesday evenings throughout the winter season. Teams are selected from the players attending Club Night, which takes place every Wednesday 7:00 - 10:00pm. Players interested in either Club sessions or matches can contact John Hayman on 01962 772535 or email [jhayman@gotadsl.co.uk](mailto:jhayman@gotadsl.co.uk).

# SNOOKER

The Bourne Club has a single full sized snooker table located just off the bar area. The table may be used by all Members aged 16 or above, and by juniors aged 12 to 16 providing they have been either played in, or are accompanied by a suitable adult. The snooker room is locked when not in use, with the key being available from the office or bar. However, regular players are able to purchase a key from the office for £10.00, which allows use of the table at all times of day.

Each year the Club holds its annual Championships from November to February, with singles, handicap singles and doubles events being organised. For further information on the tournament please contact Nigel Smith on 01252 716776.

# POOL

The Bourne Club has a single pool table in the bar area that is available for all members to use at all times of the day. The cost per game is £0.40.

Further details of the Club's table tennis, snooker and pool activities can be found in the Club House, on our website, or by contacting the Office on the number below.
