Dear Members,

I am sure that you are all aware of COVID-19, otherwise known as the coronavirus. This short notice is to reassure members that the Bourne Club is committed to providing a safe place and is using the advice from Public Health England and the NHS. I will be monitoring the situation closely and, if needed I will release updates.

Currently, the Club remains open and operating as usual, and I encourage you to use the Club as normal.

Basic hygiene

Hand sanitizer has been ordered and will arrive soon. Everyone entering the club is to use the hand sanitizer provided, and or wash their hands using soap and water in the changing rooms.

If you have the symptoms of coronavirus

Follow the advice from the NHS and call 111.

Self-isolate

If you are asked to self-isolate by a health professional, or are returning from travelling in a high-risk county, please follow the advice from the NHS. <https://www.nhs.uk/conditions/coronavirus-covid-19/advice-for-travellers/>

If you test positive for COVID-19

If you test positive for COVID-19 and have been in the Club within the last 14 days, please inform the Club Manager via phone or e-mail. Do not come to the Club.

Kind regard,

Alex Kemp
