

POLYESTER (Recommended only for rackets over 300g)

BlackCode

The softest polyester. Plenty of control, spin and durability for club players without being too stiff and harsh on the players arm. £30

Gauge: 1.30mm / 16
Colour Black

RazorCode

A stiff polyester used by professional players for increased control and durability. £30

Gauge: 1.30mm / 16
Colour Black

Pro Red Code

Suited to the new generation of aggressive player, Tecnifibre Pro Red Code is a new option in the co-polymer/polyester string category. Better tension maintenance and greater comfort than most other polys. £30

Gauge: 1.30mm / 16
Colour Black

HDMX

Tecnifibre HDMX is a polyester string which incorporates Hybrid3D Technology which has all the benefits of a hybrid in one string to deliver a combination of comfort and power. £30

The Hybrid3D Technology consists of three different fibres, together with High Density Polyurethane which helps to give a more controlled and spin friendly playability.

HDMX is a great choice of string for players who require added control, durability and spin potential.

Gauge: 1.25mm / 17
Colour: Greeny Yellow

MULTIFILAMENT

(Recommended for all weights of rackets and best suited to rackets under 300g)

X-One

The award-winning multifilament string. The closest synthetic string to natural gut. Unrivalled power, comfort and feel. £25

TGV

Highest concentration of PU for maximum comfort – great for tennis elbow. £25

NYLON AND SYNTHETIC GUT

Multifilament's out perform these strings in all areas; power, control, feel, durability. And so we would always recommend multifilament strings over these.

Multifeel

All round playability with a polyester core for added durability. Entry level to multifilament strings. £25

Gauge: 1.30mm / 16
Colour Neutral

Babolat Synthetic Gut

Babolat Synthetic Gut offers good comfort and playability at an affordable price. £25

Synthetic Gut is composed of a Solid Polyimide Core with a single Co-Polymer Outerwrap and Polyurethane coating.

Gauge: 1.30mm / 16
Colour Pink

Synthetic Gut

All round playability with a polyester core for added durability. Entry level to multifilament strings. £25

Gauge: 1.30mm / 16
Colour Neutral
