These rackets are perfect for those club players who want the highest level of both control and power.

Explorer Pro 3.0 – with a **teardrop format** that achieves a **wide sweet spot** and a balance between **maximum control** and a **great bond**.

The model that will be used by the star of the **World Padel Tour, Lucas Campagnolo**, all this season on the professional circuit.

Junior Rackets

Price £40

Discover the new **Drop Shot Tiger 1.0**, the Drop Shot baby racket intended for all players up to 8 years old.

The **Drop Shot Tiger 1.0 racket** is a racket that combines a **fibreglass of superior strength and elasticity** and **Full Eva technology**, so that the shovel is made of 100% Eva without a frame.

A racket designed for **beginners under 8 years old** who are looking for a product that helps them with their first playing experiences.

Price £47

The new **Drop Shot Conqueror 9.0 Jr U13**, the replica in junior version of the racket of padel legend **Juan Martin Diaz**.

The **Drop Shot Conqueror 9.0 Jr** racket features Full Eva System technology that provides a super large sweet spot to help focus the blows in this stage of learning.

A racket designed for **beginners** and **for children** looking for a product that provides **comfort** and helps their play.

Start up Rackets

Price £49

Meet the new **Drop Shot Kibo 2.0**, the initiation racket par excellence.

The **Drop Shot Kibo 2.0** racket combines different elastic materials with **Eva Soft** rubber, thus achieving a good bond with control and a wide sweet spot in the hit.

It uses **full Eva System** technology throughout the racket format, achieving enormous results that **enhance the game** of every player who is starting out.

It is a racket designed for **beginners** who are looking for a product with which to feel **comfortable** on the court.

Price £62

Within the collection of Drop Shot 2021 rackets meet the new **Drop Shot Sakura 3.0**, a racket intended for every player who is starting in padel, **regardless of age or gender**.

The **Drop Shot Sakura 3.0 racket** is a racket that combines flexible materials with **Eva Soft** rubber, thus achieving a great hit and a wide sweet spot in the hit. Thanks to **Cork Grip** technology, vibrations in the hit are reduced combined with a **double tubular carbon frame**

Club Player Rackets

Price £121

The new **Drop Shot Cristal 2.0**, a multipurpose racket designed with the exclusive technology within the Ambition line developed exclusively by Drop Shot.

A model designed for players who are looking for a **quality** product that brings **power** to their game.

Price £122

The **Drop Shot Allegra Padel Racket** is a balanced racket, with great power and control in equal parts.

The **Allegra** is an ideal racket for the player who has or has had epicondylitis (**tennis elbow**) problems thanks to its cork sheet located between carbon and EVA that reduces vibrations to the maximum.

Price £121

Meet the new **Drop Shot Taipan**, with similar construction to the Conqueror 6.0 designed with the exclusive technology of the **Ambition** line developed exclusively by Drop Shot. A racket designed for **mid-high level** players looking for a **quality and competent** product that lives up to their game.

Advanced Club Player Rackets

Price £147

Thanks to its **oversize round** shape in combination with its Eva Soft rubber, the **Drop Shot Power 1.0** gives the player a ball output in the upper hit.

A model designed for **high-level** players looking for a quality product that provides them with **extra power** and is up to the intensity of their game in **the most demanding situations**.

Price £155

With a teardrop format but an Eva Soft rubber, the **Drop Shot Yukon Pro** serves as an alternative for its sister the Drop Shot Essence, sharing format and materials, but with a softer rubber to get even more power.

A racket designed for **high-level** players looking for a product with **durability and quality** that complements their game.

Price £155

Thanks to its oversize round shape and its Eva Soft rubber, the **Drop Shot Imperium 1.0** gives the player **maximum power** without losing control in the hit. In addition, thanks to the **Cubicarbon 24k** and the rough 3D surface on the face, we manage to obtain a **very elastic** and comfortable **touch** in the game.

Tournament Play rackets

Price £163

Drop Shot Legend 2.0, belonging to the Be One Drop Shot line, with materials and technologies developed at the suggestion of **Juan Martin Diaz**. An explosive racket full of character that leaves no one indifferent. Focused on players with intense gameplay and an **advanced level** who want to burst on the court with precise cannon shots camouflaged with **select, elegant and luxurious design**

Price £163

The new **Drop Shot X-Celerator**, the model recommended by the star of the **World Padel Tour, Lucas Campagnolo** with a **teardrop format** that achieves a **wider sweet spot** and a balance between **a great hit and total control**. Thanks to the novel technology of **Triaxial Carbon**, carbon has a plus of elasticity compensated with the hardness of the **Eva Tech** to achieve an incredible result.
