New Club Sponsor  **FARNHAM
POOLS**
CONSTRUCTION - REFURBISHMENT - MAINTENANCE

We are delighted to announce that Farnham Pools will be sponsoring our Academy Summer Party. Farnham Pools are a traditional pool company based in Farnham with over 20 years experience building and looking after pools throughout West Surrey and the surrounding areas.

Wedding

Our Head of Tennis James Cooles will be getting married to his fiancé Charlotte on Thursday 25th April. We wish them both well on their special day, and their lives together.

Academy Update

We had a record term for the Academy since we launched in September 2020 with just under 400 juniors signed up to our termly courses. It is fantastic to see our Tennis, Badminton and Squash Academies growing, and seeing all the juniors wearing their Academy tops around the Club.

A huge amount of credit goes to our coaching team for their commitment to providing an excellent level of coaching for all ages from as young as 2 years old.

We have lots of plans for growth for the Academy, with the introduction of our Summer Party, and once the Club has completed the redevelopment plans which will include a 2 indoor court structure and 2 new Padel courts, we will be looking to offer junior coaching in both Padel and Pickleball. Our focus is to offer a full range of racket sport coaching under one roof.
